If your book solves a problem or solutions questions in a brand new and distinctive method, you must

worth your e-book as high as you'll be able to go. You'll achieve larger earnings this way, but usher in fewer customers. Start at the highest worth the market will bear to herald the largest profits, and plan to low cost the book a number of instances throughout the year.

Do this by creating a sales web page for the new book, but do not embrace a price on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out prices by making a variety of duplicate sales pages with different costs on each page. Ensure that your gross sales copy is precisely the same on each web page, and

includes your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your website and gross sales of your book. This will inform you what your optimum worth is.
