As a substitute, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out prices by making a variety of duplicate sales pages with completely different costs on each page. Be sure that your sales copy is exactly the same on every web page, and contains your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum price is.

Finally, should you've written a e-book that solves a drawback or presents a brand new technique, your ebook will usher in both visitors and profits.
