Pricing an e book is especially troublesome as a result of ebooks are a fairly new commodity. Since

they are digital, the worth of an ebook is as complicated as the understanding of what digital truly is to the common layperson. Because of this we should look at ebooks in a distinct gentle so as to determine their actual worth on this brave, new cyber world.

Let us take a look at the difference between a ebook in print and an ebook. A printed e-book is an object you may hold in your hand, retailer on your bookshelf, even hand down to the next generation. It's priced on factors such as paper stock, design and manufacturing prices, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It is the ideas in these books which have the power to vary, or possibly rework, folks's lives.

What do you suppose an thought is value when evaluated against the price of paper and ink?

It's the IDEAS which can be useful! That's the way you decide the cost of your ebook.

What ought to I cost for my concepts?

There are all totally different formulation and strategies for determining the right value to your ebook. Let's begin with honing in in your final goals.

Decide if your objective is to get extensive distribution and most exposure. This goal is aimed at drawing clients to your enterprise or service, or to establishing the credibility of your reputation. If this is your fundamental goal, it is best to intention to keep your price on the low side. Some authors have even priced their ebooks at a revenue loss to attract a high number of new customers. The key is to find a price that maximizes your earnings and the variety of books you sell.

This is an excellent pricing strategy in case you are seeking to acquire lengthy-term customers. Long-time period prospects are extraordinarily probably to buy from you once more and again ? as long as the first book they buy is of exceptional quality and useful to the customer.

Nevertheless, if your ebook incorporates invaluable ? and extra importantly NEW info, references, or methods ? then you should goal to price it on the high end.

After you figure out your goal, you need to figure out what your audience's want is for your ebook. For instance, does your e book solve a selected downside? If it does, and solves it in a means that hasn't been written about in one hundred other ebooks, you may be capable of obtain excessive gross sales at a high price. If your ebook solves a problem or solutions questions in a brand new and

unique method, you must price your e book as excessive as you'll be able to go. You will achieve larger income this manner, however bring in fewer customers. Just be sure that the question or drawback that your e-book solves is one which is essential and related to the vast majority of your market audience. In case your concepts usually are not frequent information, or you might be presenting a brand new method, it is possible for you to to promote books at a excessive price. Just be prepared on your competitors to undercut you on value as soon as they hear about your book.

Remember the fact that the above pricing technique is temporary. Eventually, you'll cease to sell books at this excessive price. So determine upfront how lengthy you plan to supply your book at this high price, and when that time is up, change your pricing strategy.

If you wish to see large income over customer draw, purpose for an viewers that is in search of simple options to their issues at a low price. In case your book is aimed toward fixing one specific problem somewhat than basic recommendation, then you may cost more. Begin on the highest price the market will bear to usher in the largest income, and plan to low cost the e book a number of times all through the year.

Advertising Strategies

The important thing that unlocks the gross sales potential of your ebook is to discover a single sentence that turns into your selling handle. This sentence states what query or drawback your book solutions and the advantages your e-book can provide. Then be sure you use that sentence in each piece of gross sales and promotional materials, and every time anyone asks you about your ebook.

Apart from selling your books assiduously on-line, there are a number of different strategies that can enable you to sell more books.

One is to offer one thing away at no cost with your guide, similar to a worthwhile bonus item. Or bundle several ebooks under one price, which lowers the price for every book if they were bought separately.

An effective approach for determining a worth is to send out a survey to your present customers. If these customers have already bought an book from you, ask for their opinion in terms of price. Do this by making a gross sales page for the new ebook, however do not embody a price on that page. Instead, add various links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out costs by creating a number of duplicate gross sales pages with totally different costs on every page. Be certain your gross sales copy is precisely the identical

on each page, and contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your website and gross sales of your book. This may tell you what your optimum worth is.

Ultimately, if you happen to've written a book that solves a downside or presents a brand new technique, your e book will usher in both visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what drawback your guide solves and what the benefits of your *Oxford Progressive English 6 Teaching Guide* e-book shall be to the customers who purchase it. After which watch your market come to you!
