to price. Do this by creating a sales page for the new guide, but do not embody a price on that page. Instead, add a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a number of duplicate gross sales pages with different costs on each page. Make certain your sales copy is exactly the same on each web page, and includes your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your website and sales of your book. This can inform you what your optimum value is.
