If these clients have already purchased an book from you, ask for their opinion when it comes to price. Do that by creating a sales web page for the brand new book, but do not embody a value on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to check out costs by creating a variety of duplicate gross sales pages with totally different costs on every page. Make sure your gross sales copy is exactly the identical on

every page, and consists of your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. This will let you know what your optimum worth is.

Finally, if you've written a guide that solves a downside or presents a brand new technique, your ebook will usher in both site visitors and profits.
