If these customers have already bought an ebook from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the new guide, but do not embody a price on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by creating a variety of duplicate gross sales pages with

different prices on each page. Ensure your sales copy is exactly the identical on every web page, and contains your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and gross sales of your book. This can let you know what your optimum worth is.

In the end, if you happen to've written a book that solves a problem or presents a brand new method, your e book will usher in each visitors and profits.
