Do this by creating a gross sales page for the new guide, but do not include a price on that page. Instead, add quite a few links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to test out costs by creating a number of duplicate sales pages with different costs on every page. Make certain your sales copy is strictly the identical on every page, and

contains your promoting-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. This will tell you what your optimum worth is.

Finally, when you've written a e book that solves a problem or presents a brand new approach, your book will herald both traffic and profits.
