The key that unlocks the sales potential of your book is to find a single sentence that turns into your selling handle. This sentence states what question or drawback your e-book solutions and the advantages your ebook can provide. Then be sure to use that sentence in every piece of sales and promotional materials, and each time anybody asks you about your ebook.

An efficient technique for figuring out a value is to send out a survey to your present customers. If these clients have already bought an e book from you, ask for their opinion by way of price. Do that by making a gross sales page for the brand new ebook, but do not embody a worth on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out prices by creating a number of duplicate sales pages with completely different costs on every page. Ensure that your gross sales copy is exactly the same on

each web page, and consists of your promoting-handle sentence. Then work out for every web page the conversion ratio between guests to your site and sales of your book. This may inform you what your optimum worth is.

Ultimately, in the event you've written a book that solves a downside or presents a new method, your e-book will usher in both visitors and profits. So make sure to write that selling-handle sentence that sums up what drawback your e-book solves and what the advantages of your 1305 e-book can be to the shoppers who buy it.
