If these clients have already bought an e-book from you, ask for his or her opinion when it comes to price. Do this by creating a sales web page for the brand new e-book, however do not embrace a worth on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Be certain your sales copy is strictly the similar on

every web page, and contains your promoting-handle sentence. Then work out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This can inform you what your optimum worth is.

Finally, for those who've written a e-book that solves a problem or presents a brand new technique, your e book will usher in each traffic and profits.
