Do this by making a gross sales page for the brand new book, but don't include a worth on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out costs by creating a variety of duplicate gross sales pages with different prices on each page. Ensure that your gross sales copy is precisely the same on every web page, and includes your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum worth is.

In the end, for those who've written a e-book that solves a problem or presents a brand new approach, your e book will herald each visitors and profits.
