If these clients have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do that by making a sales web page for the brand new e-book, however don't include a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to check out prices by making a number of duplicate sales pages with completely different costs on each page. Be certain that your gross sales copy is strictly the same on each web page, and includes your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum worth is.

Ultimately, for those who've written a e-book that solves a problem or presents a new method, your e book will bring in both visitors and profits.
