An efficient method for figuring out a value is to ship out a survey to your current customers. If these customers have already purchased an e-book from you, ask for their opinion when it comes to price. Do this by making a sales web page for the new guide, however don't include a value on that page. every page, and contains your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your website and gross sales of your book. This may inform you what your optimum worth is.
