As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with completely different prices on every page. Make sure your gross sales copy is strictly the similar

on each page, and contains your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and gross sales of your book. It will tell you what your optimum value is.

Ultimately, when you've written a book that solves a problem or presents a brand new technique, your ebook will herald both visitors and profits.
