If these customers have already bought an ebook from you, ask for his or her opinion in terms of price. Do that by making a sales web page for the new guide, but don't include a worth on that page. Instead, add a variety of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to check out costs by making a number of duplicate sales pages with different costs on each page. Be certain that your sales copy is precisely the same on each page, and includes

your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum value is.

Finally, in case you've written a guide that solves a problem or presents a brand new technique, your guide will bring in each traffic and profits.
