An efficient approach for determining a worth is to ship out a survey to your current customers. If these customers have already bought an e book from you, ask for their opinion by way of price. Do that by creating a gross sales web page for the new ebook, however do not embody a worth on that

page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out prices by creating a variety of duplicate gross sales pages with totally different prices on each page. Make sure that your gross sales copy is precisely the same on every page, and includes your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. This may let you know what your optimum worth is.

Finally, should you've written a ebook that solves a problem or presents a brand new technique, your guide will bring in each visitors and profits.
