Do that by making a sales web page for the new guide, however don't embrace a worth on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out costs by creating a variety of duplicate sales pages with totally different costs on each page. Be certain that your sales copy is exactly the identical on every web page, and includes your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This may let you know what your optimum worth is.

In the end, if you happen to've written a e book that solves a downside or presents a new approach, your book will herald both site visitors and profits.
