Another technique is to check out costs by making a number of duplicate gross sales pages with different costs on each page. Make sure that your gross sales copy is precisely the similar on each page, and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum price is.

Finally, if you've written a e book that solves a problem or presents a brand new approach, your e book will herald both traffic and profits. So you'll want to write that selling-deal with sentence that sums up what downside your e book solves and what the benefits of your 637 ebook will likely be to the purchasers who buy it.
