Another strategy is to test out prices by creating a variety of duplicate sales pages with completely different prices on each page. Be sure your sales copy is precisely the similar on every

web page, and includes your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This may inform you what your optimum value is.

Finally, in the event you've written a e-book that solves a downside or presents a new approach, your ebook will herald both visitors and profits.
