An effective method for figuring out a value is to send out a survey to your current customers. If these clients have already purchased an ebook from you, ask for their opinion by way of price. Do that by creating a sales web page for the brand new ebook, however do not include a price on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out costs by creating a variety of duplicate gross sales pages with completely different prices on every page. Be sure that your gross sales copy is precisely the

similar on each web page, and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum price is.

In the end, for those who've written a ebook that solves a downside or presents a brand new technique, your e-book will herald both visitors and profits.
