Another technique is to check out prices by making a variety of duplicate sales pages with totally different prices on every page. Make sure that your gross sales copy is exactly the same on every

page, and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum value is.

Finally, in the event you've written a book that solves a problem or presents a new method, your e-book will herald both traffic and profits. So make sure you write that promoting-handle sentence that sums up what downside your ebook solves and what the benefits of your 663 e book can be to the customers who buy it.
