Do that by making a sales web page for the brand new ebook, but don't include a price on that page. As a substitute, add various links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out costs by making a number of duplicate sales pages with completely different costs on every page. Ensure your gross sales copy is exactly the same on every page, and consists of your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your site and gross sales of your book. This can inform you what your optimum worth is.

Ultimately, if you happen to've written a ebook that solves a downside or presents a brand new technique, your e-book will herald both visitors and profits.
