If these prospects have already bought an e book from you, ask for their opinion when it comes to price. Do that by creating a gross sales page for the brand new e-book, however do not embrace a worth on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with different prices on every page. Ensure your sales copy is precisely the identical on every web page,

and includes your selling-handle sentence. Then determine for each page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum value is.

In the end, if you happen to've written a e-book that solves a downside or presents a new technique, your e-book will herald each site visitors and profits.
