Advertising Methods

The key that unlocks the sales potential of your e-book is to discover a single sentence that turns into your selling handle. This sentence states what query or drawback your e-book answers and the benefits your e-book can provide. Then be sure to use that sentence in each piece of gross sales and

promotional materials, and each time anyone asks you about your ebook.

Apart from selling your books assiduously on-line, there are a number of different methods that may enable you to sell more books.

One is to give something away at no cost with your e-book, reminiscent of a helpful bonus item. Or bundle a number of ebooks below one value, which lowers the value for every e-book in the event that they have been bought separately.

An effective technique for figuring out a value is to ship out a survey to your present customers. If these prospects have already bought an book from you, ask for their opinion when it comes to price. Do this by creating a sales page for the brand new ebook, but do not include a value on that page. Instead, add plenty of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out costs by creating a number of duplicate sales pages with different costs on every page. Ensure that your gross sales copy is strictly the same on each web page, and contains your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your site and sales of your book. This may tell you what your optimum value is.

In the end, in case you've written a ebook that solves a downside or presents a brand new approach, your e-book will herald both site visitors and profits.
