You have written and compiled an **Reason Guide** ebook. Now you must decide how much to cost for it. Finding the right price is essential to the success of your product. If you charge too little Reason Guide, people will think it is of little worth, they usually will not purchase it, or even if they do buy your e book, you'll have to sell thousands of copies to get to the point the place you'll be able to start to see a profit. In case you *Reason Guide* worth it too excessive when put next with your competition, one can find yourself steadily reducing the price, which will cause you all kinds of new issues in the future.

Choosing the proper value for your **Reason Guide** ebook is one of the most crucial parts of the advertising process. The first rule of pricing ebooks is to by no means underprice. Decide the best value your audience can afford, and then if you find your e book isn't promoting, you can at all times cut back the price. Earlier than you're taking that step, be sure you are promoting your Reason Guide e-book like crazy on the Internet and on websites. The worth needs to be geared toward bringing in income, however you should never neglect that price is without doubt one of the factors that people use in judging the worth of your *Reason Guide* book ? before they buy it. So at all times start with the best value, and then launch a mega-advertising and marketing campaign.

Pricing an e book is particularly difficult as a result of ebooks are a reasonably new commodity. Since they are digital, the value of an book is as complicated as the understanding of what digital truly is to the average layperson. Because of this we should look at ebooks in a different light so

as to decide their actual worth on this courageous, new cyber world.

Let us take a look at the distinction between a ebook in print and an ebook. A printed e book is an object you can hold in your hand, store on your bookshelf, even hand down to the following generation. It is priced on elements such as paper stock, design and production prices, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It's the ideas in these books that have the ability to vary, or probably transform, individuals's lives.

What do you think an idea is value when evaluated against the cost of paper and ink?

It's the IDEAS that are valuable! That is the way you determine the price of your ebook.

What should I cost for my concepts?

There are all completely different formulas and methods for figuring out the proper value for your ebook. Let's begin with honing in on your final goals.

Resolve if your purpose is to get vast distribution and most exposure. This objective is aimed toward drawing customers to your business or service, or to establishing the credibility of your reputation. If this is your major goal, you should aim to maintain your price on the low side. Some authors have even priced their ebooks at a revenue loss to attract a high number of new customers. The secret's to find a price that maximizes your earnings and the variety of books you sell.

This is an excellent pricing technique if you are seeking to purchase lengthy-time period customers. Long-term customers are extremely doubtless to buy from you again and once more ? as long as the first ebook they purchase is of exceptional high quality and helpful to the customer.

Nevertheless, if your book incorporates beneficial ? and more importantly NEW information, references, or techniques ? then you should goal to price it on the high end.

After you figure out your aim, it's essential to determine what your viewers's want is in your ebook. For example, does your e-book remedy a selected problem? If it does, and solves it in a way that hasn't been written about in one hundred other ebooks, you can be able to achieve high sales at a excessive price. In case your ebook solves an issue or solutions questions in a new and unique

approach, you must worth your ebook as excessive as you possibly can go. You will obtain bigger income this fashion, but usher in fewer customers. Simply be sure that the question or drawback that your book solves is one that is necessary and relevant to nearly all of your market audience. In case your ideas aren't frequent information, or you are presenting a brand new approach, you will be able to sell books at a excessive price. Just be ready on your competitors to undercut you on price as soon as they hear about your book.

Keep in mind that the above pricing technique is temporary. Ultimately, you will cease to promote books at this excessive price. So determine upfront how long you plan to offer your e book at this excessive value, and when that point is up, change your pricing strategy.

If you want to see large earnings over customer draw, intention for an audience that is searching for straightforward solutions to their issues at a low price. In case your ebook is geared toward solving one specific downside quite than normal advice, then you'll be able to charge more. Start on the highest worth the market will bear to usher in the largest profits, and plan to discount the book a variety of instances all through the year.

Marketing Methods

The important thing that unlocks the sales potential of your e-book is to discover a single sentence that becomes your promoting handle. This sentence states what question or downside your e book answers and the advantages your book can provide. Then you'll want to use that sentence in each piece of sales and promotional material, and each time anybody asks you about your ebook.

In addition to selling your books assiduously online, there are several other methods that may assist you to promote extra books.

One is to offer something away without cost with your guide, equivalent to a valuable bonus item. Or bundle a number of ebooks below one worth, which lowers the worth for every e-book in the event that they have been bought separately.

An effective method for figuring out a price is to ship out a survey to your present customers. If these prospects have already bought an e-book from you, ask for his or her opinion when it comes to price. Do that by making a sales web page for the brand new ebook, but do not embrace a value on that page. As a substitute, add various links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with different costs on each page. Ensure that your sales copy is strictly the identical on each page,

and includes your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your web site and gross sales of your book. This may tell you what your optimum worth is.

Ultimately, if you've written a book that solves a problem or presents a brand new technique, your guide will usher in each traffic and profits. So be sure to write that selling-deal with sentence that sums up what problem your guide solves and what the advantages of your *Reason Guide* guide will probably be to the shoppers who purchase it. And then watch your market come to you!
