Resolve if your goal is to get huge distribution and most exposure. This goal is geared toward drawing clients to your business or service, or to establishing the credibility of your reputation. If this is your major objective, it's best to goal to keep your value on the low side. Some authors have even priced their ebooks at a profit loss to draw a excessive number of new customers. Begin on the highest price the market will bear to herald the largest earnings, and plan to low cost the e book a variety of instances all through the year.

Advertising and marketing Methods

Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to check out prices by creating a variety of duplicate sales pages with totally different costs on every page. Be sure that your sales copy is exactly the same on every web

page, and includes your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. This will inform you what your optimum value is.
